

Review of Results (RoR) & Access to Scripts (ATS)

If your exam results are not as expected and you feel dissatisfied with the outcome, then an enquiry about your results can be made through the use of post-results service(s).

In the first instance you should speak with the relevant Subject Lead or Subject Teacher to discuss your grades in relation to the grade boundaries, published by the examination boards. If an enquiry is to be made you are required to pay for the service. A list of examination board charges for post-results services is available from Mr Osborn or the UTC website.

Once this has been done, if you still wish to request a post-results service(s), please complete the required information in the boxes below and sign the form to confirm consent/permission. Forms **must** be received by Mr Osborn and payment made via ParentPay by the deadline **16th September 2019** in order to process the request.
